## SS50-049 A Bill Allocating Funds from the Student Reserve Account for a

### Skatepark at Roger Williams University

*Whereas*, the Student Senate has the ability to allocate funds

*Recognizing that the* funds allocated will be put into Slab Design, Installation, Fence with Locking, and Site Lighting for the skatepark.

*Identifying*, that the green space between the third tennis court and the Performing Arts Annex is an underutilized area that is capable of housing a community.

*Being confident*, the skatepark will advance student life on campus.

*Therefore, let it be resolved*, that the Student Senate allocates up to \$125,000 from the Student Senate Reserve Account for the purchase of Slab Design and Installation of the Skatepark, the Fence including the lock, and the lighting for the site.
